- Ensure children and youth experiencing homelessness receive a free and appropriate public education on an equal basis
- Eliminate and/or reduce educational barriers through the use of local “best practices” and the authorized activities of the McKinney-Vento Homeless Education Assistance Act
- Reduce the disruption in the educational lives of children and youth experiencing homelessness
- Increase awareness about the nature and extent of the problems children and youth experiencing homelessness have enrolling in and gaining access to educational programs
- Explain and build on the laws and policies already in place, which overcome these barriers
