RE: **Keystone Testing**

November 27, 2024

Dear Parent/Guardian of a Student Taking Keystone Exams,

In several weeks, your student will be taking Keystone Exams at Mount Union Area Senior High School. These exams are extremely important, and both the staff and your student have been working very hard to prepare. I have attached several documents to this cover letter outlining important information about the exams and the protocols for taking them. Please review all these documents with your student so that you both are aware of protocols.

In addition, I have listed a schedule of the exams below. Please help your student to get plenty of rest and eat a good breakfast on exam day, and be sure to encourage them to do their very best on the exams. Passing the Keystone exams is the easiest path to graduation. Please note that if they are absent on the day of one of the exams, they will be required to make them up.

Thank you for your support of your student's education. If you have any questions, please feel free to call my office at any time.

### Exam Schedule

- Dec. 10<sup>th</sup> and 11<sup>th</sup> = Literature Keystone Exams
- Dec. 12<sup>th</sup> and 13<sup>th</sup> = Biology Keystone Exams
- Dec. 17<sup>th</sup> and 18<sup>th</sup> = Algebra Keystone Exams
- Jan. 6<sup>th</sup>-16<sup>th</sup> = Make-ups for any Keystone Exam

Sincerely,

Chad Mickle  
Mount Union Senior High Principal
